POOL PROTOCOLS:

- **POOL ACCESS:** Please meet Aquatic Staff at the Community Center entrance. To minimize cross over between our pool patrons and the school children, no swimmer, reserved or drop-in will be able to enter

5-minutes prior to the start of each swim. This will help make the transition as smooth as possible from check-in to pool entry. We ask that you arrive at least 15 minutes prior to your start time.

- **ENTRY/EXIT:** One-way entry and exit patterns will be established for each pool. Please follow posted signs and staff directions.
- **LOCKER ROOMS & SHOWERS:** Access to locker rooms will be limited to restroom areas only. Patrons are encouraged to arrive and leave the pool in their swimsuits. Baskets will be available for daily use to place personal belongings on deck while using the pool. Showers will be accessible for pre-swim rinse off only. You will have 10 minutes before and 10 minutes after your swim in the locker room. Absolutely no exceptions due to sanitization requirements.
- **LIABILITY WAIVERS:** All patrons will need to sign our separate COVID-19 liability waiver prior to entering the pool. (Minors will need a parent/guardian's signature.) Access to the pool will be denied unless a signed waiver is on file. Waiver will be available electronically as well as paper copies at each pool.
- **FACE-COVERINGS:** In compliance with City/State and CDC guidelines, all patrons will need to wear face coverings when not in the pool. **This will help keep you and our staff safe.**
- **ARRIVAL SCREENING:** All participants will be screened upon arrival by Aquatics Staff which may include temperature checks, review of symptoms and expectations while they are using the facility.
- **EQUIPMENT:** Lap swimmers, PPSC and Masters will need to bring their own kickboards, pull buoys and flippers. Instructional equipment such as pool noodles, bubble belts and aqua jogging belts will be limited and sanitized between patrons.
- **BATHING CAPS** are required for all with chin length hair, regardless of age or gender. These will be available for sale at the pool.
- **RESERVATIONS/DROP-IN:** We encourage all patrons to reserve lane space through our Community Pass registration system. **Drop-ins may be turned away depending on program attendance and pool capacity.** <http://portlandmaine.gov/673/Aquatics>
